Fort Rucker Visitor Access – What You Need To Know

Fort Rucker Visitor Access – What You Need To Know

Children Back to School.

1. What should parents be on the lookout for when children go and return from school? Parents and motorists should be alert for children walking and riding their bikes to school in the mornings and from school in the afternoons. Be alert for children crossing the streets, they may not be paying attention to on-coming traffic, not looking before they cross or obeying pedestrian rules. For some children the novelty of going to school is very exciting and being with all their friends may make them less inclined to follow rules. Parents should be familiar with the child supervision policy and matrix in Garrison Policy Letter 13-39. If a child requires supervision please accompany them to and from school.

2. What should people be aware of when traveling in school zones? All motorists need to be aware that school is back in session and children are walking or riding their bikes within the housing areas and school zones. Motorists need to slow down, pay attention, stay off their cell phone and don't be a distracted driver. Police will be patrolling housing areas and the school zones strictly enforcing the speed limits and looking for other violations (cell phones, texting, etc.) and violators will be cited.

3. How does every person on post help make the community a safer place to live, work and raise a Family? By being alert, paying attention to their surroundings, and reporting if they see something that isn't right, to parents, teachers, police, or someone else in a position of authority. This is our community and it takes all of us doing our part to keep it safe.

New Commissary Parking. Parking accidents and backing accidents in parking lots are the major causes of accidents on post. The new Commissary has two-way traffic so drivers must use caution when parking and backing to avoid hitting a vehicle or a pedestrian/bagger.

Courtesy Checks by Fort Rucker Police Personnel who live on post can request courtesy checks by Fort Rucker police on their homes anytime they are out of town over the weekends or during holidays or during extended leave. Contact the Fort Rucker Police Desk at 255-2222 for more information. Person who request quarters check must come to the Fort Rucker Police Desk and complete a form indicating when you want the checks to begin and end and, who to contact in an emergency and if a neighbor or friend is watching the home too so police don't apprehend an innocent person.

Child Safety Seats. DPS, Fire and Police have trained personnel that can check child safety seats to ensure they are installed properly. Personnel can contact our Community Police section at 255-3273 if they would like to make arrangements for this service.
